PROFESSIONAL LINE SUPPLEMENTS

BCAA 20:1:1+ XPLODE POWDER Food supplement in powder, containing a complex of branched chain amino acids (L-leucine, L-valine, L-isoleucine) as well as L-citrulline, magnesium, zinc and vitamin B6. With sweeteners. Composition of high quality, crystalline, highly micronized BCAA branched chain amino acids (L-leucine, L-valine and L-isoleucine) in proportion of 20:1:1 in combination with a high amount of L-citrulline. Additionally, the product contains zinc in the form of highly absorbable amino acid chelate Albion™ as well as magnesium and vitamin B6. The product is intended for adults to supplement their diet with branched chain amino acids BCAA (L-leucine, L-valine, L-isoleucine), L-citrulline, magnesium, zinc and vitamin B6. **Recommended use:** take 1-2 portions a day – before a meal or training and after training or before sleep. Dissolve 1 portion (7,2 g of powder = 1 scoop) in 200 ml of water; use a shaker for at least 10 seconds. Consume directly after preparation. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet. A varied and balanced diet and a healthy lifestyle are recommended. Keep out of reach of children. **Warning:** not recommended for children, pregnant or lactating women. The sediment may occur, which does not affect the quality and effect of the product. **Ingredients:** branched chain amino acids (L-leucine, L-valine, L-isoleucine), L-citrulline, acidity regulator – citric acid; flavourings, sodium citrate, magnesium oxide, sweeteners – acesulfame K, sucralose; emulsifier – lecithins (from soy); zinc bisglycinate (amino acid chelate Albion™), pyridoxine hydrochloride – vit. B6, colours: carotenes (A), carmine (B), riboflavin (C), E 150c (D), E 150d (E), E 133 (F). (A)-(F) – Depending on the flavour of the product for ingredients used see symbols (A-F) beside for the date of minimum durability (best before). Manufactured on a production site that uses derivatives of milk, eggs, soy, nuts, peanuts, cereals containing gluten, fish, crustaceans, molluscs.
