BCAA 4:1:1 XPLODE POWDER Food supplement in powder, containing branched chain amino acids complex. With sweetener. A composition of branched chain amino acids (L-leucine, L-valine, L-isoleucine) in proportion of 4:1:1. The product is intended for adults to supplement their diet with amino acids (L-leucine, L-valine and L-isoleucine).

Recommended use: take 1-2 portions a day – before a meal or training and after training or before sleep. Dissolve 1 portion (5 g of powder = 1 scoop) in 250 ml of water; use a shaker for at least 10 seconds. Consume directly after preparation. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet. A varied and balanced diet and a healthy lifestyle are recommended. Keep out of reach of children.

Warning: not recommended for children, pregnant and breastfeeding women. The sediment may occur, which does not affect the quality and effect of the product.

Ingredients: BCAA amino acids (60% L-leucine, 15% L-valine, 15% L-isoleucine), acidity regulator – citric acid; flavourings, sweetener – sucralose; emulsifier – lecithins (from soy); colours: carotenes (A), carmine (B), riboflavins (C), E 150c (D), E 150d (E), E 133 (F). (A)-(F) – Depending on the flavour of the product for ingredients used see symbols (A-F) beside for the date of minimum durability (best before). Manufactured on a production site that uses derivatives of milk, eggs, soy, nuts, peanuts, cereals containing gluten, fish, crustaceans, molluscs.

Best before (Exp)/ Unopened, keep in a dry and cool place. Lot No.:
